Brave

The University High School Deaf & Hard of Hearing Program is pleased to be able to present to you, the Trojan Community – our signature video for the 2016 – 2017 school year – BRAVE!! We believe BRAVE highlights the best of the DHH program at University High School, and in that spirit, we would like to sincerely thank ALL of the mainstream teachers and staff members who released DHH students from their classes to film, and were both understanding and flexible during the process.

We appreciate your support more than you know!

BRAVE will be available on the Univision Link on Tuesday 6/6.
Teachers, you are welcome to show the video any time you like.
Again, for the entire DHH program, thank you.
